

Affordable homes.
Exceptional care.

New Build Development Programme:

As part of our new-build growth strategy, we have sought additional development opportunities, and with Scottish Government grant assistance and are developing the following projects:

- 16 flats mid-market rent – Bishopbriggs: on site with target completion December 2019 to January 2020.
- 30 extra care flats and 19 amenity cottages – Duns: on site with target completion July 2020.
- 11 flats general needs – Kirkintilloch: on site with target completion October 2020.
- Re-modelling of previous care home facility to provide 13 extra care flats – Pollok, Glasgow: in progress pre-contract with completion due November 2020.
