

## Free School Meals Update

A new payment system is being set up for pupils who receive free school meals - this includes **all** primary 1 to primary 3 pupils.

It will start on Friday 27 March and run throughout the current health crisis.

Parents and carers of pupils who receive free school meals will be sent a message (either by text, email or as a printed copy) twice a week from the council. It will include a voucher code for £10.00 (you will receive a total of £20.00 per child per week).

Funding for the additional element of this provision has come from the £3m emergency fund, which has been set up by the council to deal with the health crisis.
